## WELCOME TO THE ADOBE ON GREEN STREET

The Adobe is set in a garden overlooking vibrant downtown Santa Cruz. Perfect for rest and recharge, we offer beautiful rooms with private baths on one half acres of trees, gardens, and fountains.

Located in the Mission Hill Historic District, you can leave your car parked and walk to downtown boutiques, antique stores, theaters, museums, restaurants, pubs, cafes, and bookstores.

With 30 restaurants within six blocks, the Adobe is perfect for an anniversary celebration, vacation, coastal getaway, extended stay, or romantic weekend. Come midweek and visit the Wednesday afternoon farmer's market or walk to one of downtown's seventeen cinema screens.

Come get away to the quiet Santa Cruz Inn.
